A Party at Gillen Brewer!

It's an out-of-this-world event that will bring a twinkle to your young star's eyes - his or her very own party after hours at Gillen Brewer. Imagine the fun that ten children will have with the run of the school! Our very own Georgia O'Keefe (art teacher Kate Gugliotta) will help make the evening glow as she works with the winning child to design custom invitations. Mad scientist Andrea Oliver (our favorite science teacher) and resident rock star Robert Kennedy (our number one music teacher) will deliver star power, providing party entertainment with science games and experiments and music and dancing. Curriculum coordinator Vivienne Viera will fund pizza, beverages and goody bags that are simply heavenly, while our amazing baker (and GBS therapist) Jane Enright will make a custom cake that will light up the sky - and have everyone clamoring for seconds. Must be at a mutually agreed upon time that works with the school schedule. Donated by GBS staff members Jane Enright, Kate Gugliotta, Robert Kennedy, Andrea Oliver and Vivienne Viera.

Principal for a Day

This is no "time out" for one lucky child, it's a big "time in" - time in the company of beloved Principal Donna Kennedy, that is. Imagine your child's pride and excitement as s/he assists Donna with her morning announcements, overseeing bus arrivals and departures and managing the staff. What new rules would your child propose?!? As a highlight of the day, your child will enjoy a power lunch with Donna at a restaurant of his/her choice. Donated by GBS Head of School Donna Kennedy.

Psssst...Rao's

There is an NYC club even more exclusive than Mayor Mike's dinner pals; it's New Yorkers who have eaten at Rao's, the famed Italian eatery where you must be invited by a table owner to dine. This is a rare opportunity for you and your closest pals to join the ranks of the lucky few - but it won't come cheap, so bid high! You will enjoy dinner for four people on a Friday night at this semi-secret, cozy, home-style restaurant on East 114th Street. Booked months in advance, no menu, no reservations - you can only get it here! Donated by Hillel Tobias.

Support Our Teachers

Give to the best investment, the teachers who work with your children at Gillen Brewer, by bidding on this reverse auction item. Every dollar raised goes into the operating budget to recruit, train and retain the best teachers. Effective education starts with effective teachers and the quality of the staff has the most impact on the quality of the education we give each child. Individualizing our curriculum means that we need to keep up with current research and provide staff development in all areas that impact a child's learning. Supporting staff development and retention ensures that we can maintain a high level of accountability and effectiveness with our staff. Bidding will start high and continue with opportunities to donate \$2,500, \$1,000, \$500, \$250, \$100, \$50 or \$25. If you've ever wanted to show the teachers how much you value their impact, here's your chance. We hope everyone will participate!
